Dear Mr. Hanlon:

CONGRATULATIONS! Dillon Consulting has been selected as one of the **Best Places to Work in Atlantic Canada!** Everyone at your company should be very proud of this accomplishment. You will be contacted by the staff of *Progress* magazine about the great things that follow your selection. Mark your calendar now for June 20, 2008 when a luncheon will be held in Halifax in your honor and the ranking of the selected companies will be announced. The 2008 Best Places to Work in Atlantic Canada will appear in the July/August issue of *Progress* magazine.

Progress will be in touch with dates surrounding press-releases and event details and has asked that you wait until that time to send out any press-releases of your own. There will be much anticipation around the release of the list and *Progress* is planning to coordinate efforts with all ranking companies. If you have any questions surrounding this, please feel free to contact Colleen Ritchie directly at critchie@progresscorp.com or by phone (902) 494-0999 ext. 16.

In addition to earning the distinction of being named one of the Best Places to Work in Atlantic Canada, you will also receive the Assessment Findings Report. The report will come under separate cover from Best Companies Group and will be sent in late April. The Assessment Findings Report is a summarized analysis of your employees' responses to the 65-question internal survey. It is rich with information that you can use to identify where you are doing well and where there are opportunities to improve. In addition to receiving this report, you will also have the opportunity to schedule a 30-minute phone consultation with a ModernThink workplace expert to review your results. The Findings Report is an extremely valuable part of the Best Places to Work process.

Thanks for your participation and, on behalf of *Progress* magazine and Best Companies Group, we say . . . CONGRATULATIONS!

Sincerely,

Megan Burns
Manager, Program Operations
