## **NWT Outstanding Volunteer Service Award**

I am pleased to advise that you were nominated by the Northern Arts and Cultural Centre for the NWT Outstanding Volunteer Service Award in the Group category. The fact you have been nominated for an award which recognizes the significant contribution you have made to improve the quality of life in the NWT through your voluntary commitments is an honour in itself, especially since the nomination came from people who see the positive results of your efforts.

Please accept the enclosed Certificate as a memento of the nomination received and to the commitment you have made in your community.

The St. John Ambulance Therapy Dog Team has been selected as the 2007 Group award recipient and was honoured on April 13, 2007 in Yellowknife.

Again, congratulations on your nomination and thank you for the example you have set for others.

Sincerely,

Michael McLeod
