Staff in the Halifax office did a great job at making Yanzhen feel welcome to Halifax and Dillon. They also participated in informational interviews with other ISIS "clients." The following letter acknowledges their generosity.

Dear Andrew,

ISIS and the Work Placement Program would like to take this opportunity to formally thank you for your time and effort on behalf of a Newcomer to Canada. ISIS is a leading community-based organization that welcomes immigrants to Canada in many different ways. One of our goals at ISIS is to work in partnership with others in order to enable immigrants to participate fully in Canadian life. Economic Integration is one focus of the work we do and it is in this capacity that you have made a real difference.

Your cooperation in hosting Yanzhen Ou was a huge step in her settlement efforts in Nova Scotia. Individuals such as you are beacons of hope in making newcomers feel more welcome to Nova Scotia by opening doors for them. Even though the placement with Yanzhen ended up in a termination but still your willingness to host a newcomer makes a huge difference. Thank you for your support and participation in the work placement program.

Sincerely Yours,

A handwritten signature in black ink, appearing to read "Akbar Khan".
