

The Million Meals Campaign: Fighting Food Insecurity Across Canada

@Consult_Dillon

#millionmeals

Who We Are

We are problem solvers at the intersection of planning, management, engineering, and environmental science.

Dillon Consulting Limited is a Canadian, employee-owned professional consulting firm celebrating our 75th year in business. With 20 offices and more than 900 employees across Canada, Dillon offers a wide range of services related to building and improving facilities and infrastructure, protecting the environment, and developing communities.

We are a signatory to the United Nations Global Compact. As part of our commitment, we intend to work on the Zero Hunger Sustainable Development Goal (SDG-2) and work through our Million Meals Campaign to combat food insecurity across Canada.

End hunger, achieve food security and improved nutrition and promote sustainable agriculture

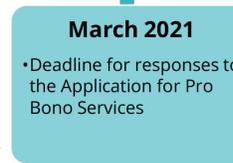

What We're Doing

The Million Meals Campaign involves a commitment to provide pro-bono consulting services to selected partner organizations working on food insecurity in Canada. Our focus is on not-for-profit organizations and Indigenous organizations and communities.

We're not only looking to provide one million meals, but we're also looking to work on solving problems associated with the root of the causes of food insecurity and seeking to contribute to a transformation of the system for generations.

We have developed a two-stage process as shown in the graphic in **Figure 1**.

PHASE 1: IDEATION

PHASE 2: DESIGN & DELIVERY

Let's Talk!

If you're interested, please take a look at the Call for Applications document available on our Website at this link: www.dillon.ca/millionmeals

We want to hear from you! If you have any questions or would like to discuss a potential project, please feel free to reach out to us sustainability@dillon.ca

Ask Us Anything

We will be hosting a series of free webinars to review the initiative, the application process, and answer your questions. Please visit us online at: www.dillon.ca/millionmeals

for more information and to register for upcoming sessions.

We look forward to seeing you there!
